#### 5. CHAIRMAN'S REPORT

Mr. Griffin noted the following:

- Several women from Stafford received awards from the 2nd Inaugural influential Women's event and suggested the EDA recognize them
- The Chairman asked if staff had received a request from a Supervisor Allen regarding EDA support for her health form and for sponsorship for the Juneteenth event. Mr. Holden said that they have not.
- Mr. Griffin asked Mr. Wilson to follow-up on Supervisor Allen's request for contribution to these events EDA, seeking formal sponsorship ask.
- Mr. Griffin was recently approached by Mr. George Hinkley who has started a non-profit drone education program for middle school students; would like to have Mr. Hinkley come and present at future EDA meeting. Mr. Holden noted that this program was at Stafford High School last year and the Testbed was a part of the program as VIPC funded a portion if not all of the effort. He has been told the program will also be at UMW Stafford as a summer camp this year. Mr. Holden shared there are many drone activities in the works locally including one for veterans.
- The Board of Supervisors' Strategic Plan has been updated; Mr. Rowley requested Mr. Holden send the members a link to the Plan.
- Mr. Owen shared that two emails from the Board recently went out: one regarding the Strategic Plan and the other regarding the Budget. Mr. Owen asked if the Budget had been approved. Mr. Holden stated the budget has not been approved yet, but the Board has begun a series of workshops to discuss over the next few months.
- Mr. Griffin added that he is behind on a letter to the Board, from the EDA reminding the Board of the EDA's work and suggesting, perhaps, the EDA be included in the budget.
- Mr. Griffin acknowledged that he is filing to be a candidate for the State Senate District 27. He does not believe this will conflict with his role as the Chairman. Members expressed enthusiasm for his decision to run and further acknowledged no conflict.

#### 6. SECRETARY'S REPORT

A. Marketing and Events Update

Ms. Browne noted the following:

- 1. Plans for Business Appreciation Reception
  - May 17 at Cyber Bytes Foundation
  - 47 currently registered though still two months out
  - Only 1 applicant for the Awards (Business of the Year, Innovation, Don Newlin Community Service Award)
  - Requested members email her other suggestions for nominees
  - Sponsors: Transurban-Title at \$6K, Germanna-Entertainment at \$2K
  - 10 Table sponsorships at \$1K each should cover the rest of BAR expenses

- Theme: Celebrating Businesses in Stafford
- Mr. Holden noted the BAR's theme this year fits well being the 50th anniversary of the EDA and allows the EDA to initiate a request of Supervisor English that the County acknowledged long-standing business in Stafford. However, the challenge is and will continue to be knowing those businesses and having accurate knowledge of this data. He asked Members to email Ms. Browne with businesses they would like included in the BAR. He noted that the registration requires them to state the year they started their business in Stafford. Mr. Owen inquired if the Commissioner of Revenue's office would have all the local business data and Ms. Davis suggested contacting the State Commission for this information. Mr. Holden responded that the COR and SCC does not necessarily disclose the business start dates.
- Mr. Holden asked Mr. Newlin and Ms. Hagerman to serve on the Awards Committee and they agreed to do so.

#### 2. Future Beer & Business

- Next one is May 10 at Highmark Brewery
- Sponsored by Fred Nationals
- Fall B&B event will be at Barley Naked in August and sponsored by Virginia Credit Union. This sponsorship is an immediate sponsorship due to them attending the Feb. 8 B&B. Ms. Browne noted these events are getting great traction. Mr. Owen added that he attended the event and it was well done, the participants all seemed to enjoy the networking, and the program was run well, informative, and "just right" timing.

#### 3. AJGA Update

- June 25-29; 25th is Tournament date
- Goal is to raise \$80K this year which is double what was raised last year
- Will benefit local charities: Big Brother/Big Sister and Special Olympics Area 11
- Need teams (\$1200) and sponsors—Members encouraged to help sell teams for the event.

#### B. Retail Development and Tourism Zones

Mr. Holden shared the following:

- Bid has gone out for updated cost estimates for Airport Facility
- Mr. Holden has begun to draft a request for proposals in the works for a Retail Strategy that would come into effect after July 1, 2023
- Staff are working on recommendations for restaurant and retail incentives internally with County Administration that might be included into the development of Tourism Zones

#### C. RIoT Sponsorship

- Mr. Holden noted that the RIoT sponsorship package was in the EDA Agenda package. He will be meeting with the Procurement Office as he would like to sponsor RIoT at the "Disruptor" level (\$50,000). He believes but has to confirm that a sponsorship can be done without a bid request. He reminded the EDA their role in bringing RIoT to Stafford and Virginia through the Go Virginia grants that established the Testbed.
- Mr. Owen asked if the grants funding RIoT currently are ending. Mr. Holden stated they end June 30, 2023.
- Ms. Morgan referred to the RIoT handout and shared the following:
  - o New Foundations session started 3/6 with 20 registered
  - o 12 of the registrants own a Stafford-based business
  - One registrant is a client of Ms. Hagerman's. Ms. Hagerman thanked Ms. Morgan for
  - o assisting her client.
  - Hosted Developer Day on 3/7 with six cyber-focused sessions
  - 40 attendees; great turnout from Germanna students and faculty

#### D. Testbed Update

Mr. Holden shared the following:

- Testbed staff (Ms. Marques) organized and he and her held a meeting with Stafford Fire Chief and his Assistant and as result they are engaged and working on upcoming controlled fire test that will include dignitaries from DHS and FEMA and they are interested in additional Pilot Projects.
- Staff are pursuing a Go Virginia Grant to expand the reach of the Testbed across Region 6. The idea is to take what has been learned at the Testbed across our Region and have a series of 'community discovery sessions' to inform local leaders what technology solutions are available for their use. He added that this grant would be an EDA grant and provide funding to support Ms. Browne's work for the EDA. He expects that there will be no additional EDA funds needed for the project. Staff will present a draft near-final application to the EDA at its April meeting
- Mr. Owen inquired if anyone from Go Virginia has asked about EDA's partnership. Mr. Holden noted that a member of the Go Virginia Region 6 Committee attended the Cocoflo opening and they are aware, but he can look into having them present. Mr. Owen stated if EDA is really leading the way with Region 6, the Board of Supervisors should know about it. Mr. Griffin noted he has served on the Go Virginia Board and shared that they look at 3 main factors: technology, manufacturing and agriculture and Stafford is leading the way in technology.
- Mr. Owen asked how many grants has the EDA received from Go Virginia. Mr.
  Holden stated there have been two. Mr. Rowley noted these grants have been
  quite successful. Mr. Owen suggested having Go Virginia discuss EDA's impact and
  showcase these successes.

#### 7. COMMITTEE AND WORKING GROUP REPORTS

A. Loan Committee (*H Owen, D Davis, J Summits*)

Mr. Summits referenced the Loan Progress Report and stated the following:

- Embrey Mill loan will begin making payments and will then be on the March Loan Progress Report
- UpNorth Kutz intends to pay off its loan and thus may likely not be on the April Report
- Two new loans have closed (Stellar Investments-Real-Axe and Columbus Cartography) will show in the May Report
  Mr. Owen asked the amounts of the two new loans and Mr. Summit noted Real-Axe loan was \$10K and Cartography loan was \$20K. Mr. Owen suggested having the Real-Axe company at a Beer & Business event. Members discussed liability insurance possibilities for axe-throwing at a B&B event and it was concluded that the liability would be the brewery's responsibility and noted that this was a consideration the Loan Committee asked and inquired about.
- B. Germanna Group (J Rowley)

Mr. Rowley stated the following:

- Deconstruction of new buildings will start soon
- Classes in new buildings scheduled to start Summer 2024
- The EDA and Germanna agreement needs revised as it applied to leased building and now the college is expanding into the newly-purchased buildings at Center Street.
- Mr. Holden noted the amendment in the Agenda Package but stated there will be more revisions. Mr. Rowley asked if Mr. Holden could meet after today's meeting and go over the Agreement revisions line by land and Mr. Holden agreed.
- Mr. Rowley expressed concern with a meeting of Germanna leadership with members of the Board of Supervisors. The meeting included Dr. Gullickson and others, but he was not present. Mr. Rowley was told that Germanna was given 15 minutes to present but after only a few minutes two Supervisors interrupted and the presentation was derailed. He was told, after, that Supervisor Bohmke spoke with Dr. Gullickson and they had a nice conversation regarding Germanna's 25-acre parcel that the County wants back. Mr. Rowley stated Dr. Gullickson's position is that this issue requires a broader conversation in future.
- C. Property Group (D Hendon, H Hagerman, J Rowley)
  - Mr. Holden noted RV Parkway and First Line item has been authorized for rezoning to M2 by the Board and now goes to Planning Commission. The best options water and wastewater are still being worked out with Utilities. Mr. Owen asked if EDA would need to pay for water costs and Mr. Holden stated not currently and that this will be part of ongoing negotiations with First Line and neighboring landowners.
- D. Broadband Expansion (*D Hendon, M Wilson*)
  - Mr. Hendon shared they are still awaiting the state's response on the "VATI" grant. Mr. Griffin asked if there is an anticipated response timeframe and Mr. Hendon stated original response date of Dec. 2022 but has no further update. Mr. Rowley

inquired if ARPA funds were used for this grant. Mr. Hendon shared his understanding that the Board pledged a portion of ARPA funds as part of the match for the grant.

#### 3. PUBLIC PRESENTATIONS

- A. Ms. Spears introduced herself and Ms. Zelazny and stated the following:
  - Fredericksburg Chamber of Commerce wants to work with EDA to continue to promote the Fredericksburg Area Region.
  - The Chamber desires and asks the Stafford EDA to partner with the Chamber for the Leadership Visit in October 2023.Leadership Visit to Lexington, Kentucky, will allow us to learn creative solutions and lessons learned from their region which has similar challenges that our region faces.
  - The Chamber intends to ask all regional EDA's and is seeking Stafford as the first and as a leader in the region.
  - Lexington recently has enjoyed recent success in attracting businesses to and leveraging educational institutions in their area and the Chamber would like to have regional leaders learn from how they have done it.
  - Proposing 3-day visit Oct. 11-13, 2023 and trip will include 50 individuals from our area
  - Goal of trip is to build strong partnership for coordinated action to improve regional competitiveness.

#### Discussion:

Mr. Owen asked why Lexington was chosen. Ms. Zelazny stated that Lexington completed a study that showed rebranding as a region would be better than rebranding individually. At time of October. visit they will have passed the year mark of their regional rebranding. Mr. Owen asked if the regional rebranding is something the Lexington Chamber came up with? Ms. Zelazny stated the joint Chamber/Economic Development and Tourism Departments in that region worked together on this.

Ms. Hagerman inquired what the total cost for this trip would be. Ms. Zelazny stated \$166,000 for overall trip which includes airfare, hotel, meals, staff work.

Ms. Zelazny requested the EDA to contribute \$20,000 and to send two local leaders from Stafford on the trip. Mr. Owen asked who the 50 people are that will be attending. Ms. Zelazny replied that all area EDA's will be asked to send two attendees and regional stakeholders will also be invited.

Mr. Wilson asked what the targeted outcome for our region would be? Ms. Zelazny replied that the targeted outcome is networking, relationship development, and shared goals to work to achieve regionally, together. Mr. Owen noted that the Fredericksburg area is often left out of Virginia Business Magazine's Top 50 list and stated this trip would be good for our area's recognition and growth.

Mr. Holden asked what the phrase 'boutique trip' means? Ms. Zelazny stated it means this trip is small in size. Mr. Holden asked if elected officials from each jurisdiction will be attending. Ms. Zelanzy shared that these types of trips usually attract political, economic development and business attendees and that each organization that contributes will choose their own attendees.

Mr. Holden inquired what is the plan for after this trip? Ms. Zelazny shared that the group will continue to meet, plan, and discuss what was learned on the trip and how to implement similar initiatives in our region as well as plan for the next such trip. Mr. Holden asked if this is a multi-year ask? Ms. Zelazny responded that it could be.

Mr. Rowley expressed support for this trip but inquired how Lexington's population compares to our regions. Ms. Zelazny answered Lexington is double our region's population and shared that Mr. Curry Roberts supports the trip. Ms. Spears added that Stafford is the fastest-growing region in the Commonwealth and has been since 1970. Ms. Zelazny encouraged EDA members to visit the Commerce Lexington website.

Members of the EDA thanked the Chamber for their presentation and request.

Mr. Holden introduced Paul Santay, Chief Director of Community Development for Stafford County. Mr. Santay stated he has been with Stafford County for 20 years (Planning & Zoning and now Economic Development) and stated that he is focused on commercial business development. Mr. Griffin thanked Mr. Santay for attending.

#### 4. TREASURER'S REPORT

#### A. Current Financials

Mr. Owen stated assets are \$2.5 million. Mr. Owen inquired if the \$200,000 check to Germanna had been mailed out. Mr. Holden responded that the check was just signed this morning. Mr. Rowley stated he would hand-deliver the check. Mr. Holden stated that the DHL paperwork should be signed next week and the remaining transfer of \$550,000 to Germanna can take place after the EDA has issued the DHL TPOF award and been reimbursed the same amount by the County.

#### B. Quarterly YTD Budget

Mr. Owen stated the following:

- All loans are current.
- Net income for the past 6 months has been -\$90,000 and revenue is not matching expenses
- Members encouraged to continue asking the Board of Supervisors for properties

Mr. Holden noted the EDA did receive a reimbursement of \$111,000 from GoVA grant not shown on current financials. But the did commit off budget \$5,000 from the EDA for the Christmas event. The GoVA grant funds will likely ensure the budget comes out even for the fiscal year, less the \$5,000 not budgeted and other, such as the Chamber ask, off budget. Mr. Owen reminded all that EDA acted as a fundraising conduit for the County for the Christmas event. Mr. Owen inquired if the VPB Cares Act account should be closed. Mr. Holden stated this account is separate account in Quickbooks, and we can seek to close that account.

Mr. Rowley motioned to approve the Treasurer's Report as presented. Ms. Hagerman seconded.

#### **VOTE: 6-0 Approved**

#### 5. CHAIRMAN'S REPORT

Mr. Griffin welcomed Supervisor Tinesha Allen and asked if she would like to share anything. Ms. Allen stated the following:

- She stated that she was speaking to the EDA on behalf of herself and some projects she is seeking support for and not as a member of the Stafford Board of Supervisors.
- She asked that the EDA support her efforts to engage and help minority/womanowned businesses
- She plans to hold a Health Fair for the Stafford community at the old Moncure School site
- She has reached out and discussed partnering with the Health Department and UMW to gather data on health gaps in our community
- She would also like to help organize a regional celebration for June 19th.

 Fred Nationals has donated stadium use for Juneteenth centralized event to highlight black and minority-owned businesses

Ms. Hagerman asked if the focus of the Health Fair would be on health-related minority-owned businesses. Supervisor Allen stated that the Health Fair would be open to all businesses, but they will earmark slots for the minority-owned ones. Mr. Rowley suggested the Health Fair be coordinated with Stafford hospital's 5K Run in the Spring. Supervisor Allen said timewise it would be too soon and also the location of the 5K Run is not accessible for low-income individuals; the Moncure site is a more accessible location for the Health Fair.

• Supervisor Allen shared there is a gap connecting low-income individuals with healthcare services (i.e.-nutrition, mental, health)

Mr. Payne suggested the EDA and County reach out to The Community Foundation of the Rappahannock River Region (a local, regional organization) that understands the needs of this area. This Foundation may consider establishing a charitable fund that the EDA would be the sole beneficiary of. The EDA would have standards and rules to follow and would be able to disburse funds for local needs (such as this request). This fund could be marketed so any individual, group or organization that desires to give to the community could be aware of this option and the fund would allow community help to come from local sources and not the government. Supervisor Allen stated she would support this great idea. Mr. Owen inquired if this fund is active. Mr. Payne clarified that such a fund, for example, was established in Spotsylvania County. In that case the fund is managed and disbursements from the fund authorized by their County Board of Supervisors. Mr. Griffin said this may require a Memorandum of Understanding where EDA retains the funds. Mr. Payne stated that donations to this fund would be charitable gifts, write-offs to encourage donations. Ms. Hagerman noted that donations from developers would be a great way to let constituents know the good that comes from this fund.

Mr. Griffin suggested himself, Mr. Holden and Mr. Owen meet to discuss how best to implement a fund in partnership with The Community Foundation.

Mr. Holden inquired what the ask for the Health Fair and the Juneteenth events would be. Supervisor Allen stated the sponsorship package has not been set yet but the goal is to raise \$30,000. The Juneteenth even will be held on Saturday, June 17, from 2-9 p.m. and the Health Fair will be the end of May. The hope is to have the Health Fair as an annual event and maybe partner together with the hospital's 5K Run to raise health awareness. Mr. Owen asked if the BOS supporting this and Supervisor Allen replied they do know about the events but have not been asked to donate or participate as a Board of Supervisors.

Mr. Griffin stated that the EDA will consider supporting Supervisor Allen's efforts and shared that he has a meeting with the new Black Business Bureau leader next week. Supervisor Allen shared that she is looking into ways to tap into the EDA for micro-

loans to help minority businesses. Mr. Griffin noted the EDA meetings are open to anyone to come present. Ms. Morgan stated RIoT is reaching out to black information technology business owners.

Supervisor Allen said she would love to have a list of all that Economic Development offers to new businesses. Ms. Browne shared that the Department has issued and shared its Economic Development Program. booklet that showcases the variety of Department and EDA programs and assistance. The Department will share this again to the entire Board and EDA.

Mr. Owen shared that four EDA members are on the Stafford Hospital Foundation and about \$200,000-300,000 comes to the hospital via a golf tournament, yet the money does not go back into the community the way it should. Mr. Owen suggested bringing this up at the next Foundation meeting. Supervisor Allen would like to have a medical scholarship fund for minorities that have interest in this field of study.

Mr. Griffin noted that the EDA needs more support from the Board of Supervisors members and thanked Supervisor Allen for her EDA support. Mr. Rowley also thanked Supervisor Allen for her support of Germanna College. Mr. Griffin shared he will follow-up on The Community Foundation idea with Mr. Payne.

- Next B&B will be at Highmark Brewery on May 10 and sponsored by Fred Nationals
- 3. Changes to the Veterans Business Bootcamp
  - This event has been twice a year but will now be only once a year
  - Due to low traction the Spring (new business) event will be eliminated
  - For the Fall event (expanding business) the focus will be on government contracting and event will be called Certifications for Government Contracting
  - Will be held on March 21 from 9am-12pm at the Stafford Airport

Mr. Griffin shared that Ms. Browne had recently been recognized by the Chamber of Commerce and congratulated her. Mr. Rowley also shared that Ms. Browne will be a speaker at the March 29 Chamber of Commerce Marketing Madness event.

#### 4. AJGA update – Big Check Delivery

Mr. Holden shared that the two checks to Stafford Junction and Stafford Education Foundation charities still need to be delivered. Mr. Griffin suggested having a photo op with EDA members during the presentations for social media use. Mr. Holden will work with the Stafford Tourism Director and the charities to get presentation dates and will inform the members once dates have been set.

Mr. Holden reminded the EDA that they may select the local charities to benefit this year and he suggested Special Olympics and Cyber Bytes Foundation as this year's AJGA charity recipients. Ms. Hagerman requested Big Brothers & Big Sisters be considered also. Mr. Owen inquired why the two charities from last year could not be recipients again. Mr. Holden replied that we are trying to spread the wealth. The EDA liked the idea of the two youth-oriented and focused organizations. Mr. Holden and Mr. Griffin suggested using Special Olympics and Big Brothers & Big Sisters this year and we will cycle through others in future years. Mr. Holden asked Ms. Hagerman to provide him with the local chapter information.

Mr. Holden added that he had been asked to reach out to the owner of Mason-Dixon restaurant on their departure from their Stafford location. He spoke to the owner of Mason-Dixon and shared that she had had plans to move into a new site at Embry Mill but then due to some other issues had second thoughts. As she considered further, she shared with him her intent to that lease at Embrey Mill for the Stafford location. Mr. Rowley inquired as to the reason for the move and Mr. Holden replied the reasons are confidential.

Mr. Holden reminded members of the Chairman's request at the end of the Special Strategic Meeting in January to send their top three areas of focus to him, independently. He received three responses from members. He consolidated them into the following top 5 common categories in order of priority:

- 1. Site Development
- 2. Business Growth
- 3. Supporting Workforce & Training
- 4. Policy, Support & Communication with Board of Supervisors
- 5. Broadband

Mr. Rowley suggested that this exercise be done again and with more input in the future.

#### B. BOS Strategic Plan Update

Mr. Holden noted that he attended one BOS Strategic Plan Meeting, specifically the session on Downtown Stafford and shared there was much discussion, but no decisions are made as this is a Workshop meeting. The Board is getting more input from staff and looking at perhaps looking at different uses of the County property in Downtown Stafford to include more open, recreation, conference, cultural and perhaps office development rather than residential uses.

#### 7. COMMITTEE AND WORKING GROUP REPORTS

A. Loan Committee (H Owen, D Davis, J Summits)

Mr. Summits stated the following:

- 1. Loan Approval pending
  - All loans current. Mr Summits noted, however, that Embrey Mill Medical payments
    were put on an agreed delay as they start-up and they will begin making payments in
    April.
  - The committee met last week and reviewed two loans:
    - 1. \$10,000 micro-loan for a mobile axe-throwing business, with 3-year term at 7.5% was approved. This loan does not require full EDA approval.
    - 2. The Committee reviews a \$20,000 micro-loan for a cartography business, with 3-year term at 7.5%. Loans above \$15,000 require full EDA approval. The owner is a long-time Stafford resident, former teacher at Stafford High School, and currently works for a federal agency doing geospatial work. Mr. Rowley asked if the committee has seen the owner's Statement of Net Worth. Mr. Summits replied, yes, and that the owner has invested \$45,000 into the company personally, has the finances to keep the business growing and will be the personal guarantor. Mr. Griffin stated there should be some benefit from this business to the local community if EDA is to approve the loan and inquired how will this give back to community. ## An Amendment to the September 11, 2020 Memorandum of Understanding between the Stafford County Economic Development Authority and Germanna Community College Educational Foundation

#### **Preface**

The Stafford County Economic Development Authority (EDA) and Germanna Community College Education Foundation (Foundation) entered into a memorandum of understanding on September 11, 2020 to support the expansion of academic and training programs in Stafford County. Notably, both parties have the mutual goal of expanding opportunities in cyber technology and nursing training. Since the execution of the MOU between the Foundation and EDA, the Foundation has found it in its best interest for the expansion of its program to secure property on Center Street in Stafford County. The EDA agrees that this decision adheres to the spirit and principle of the MOU.

#### Amendment

Pursuant to the agreement section item 6 titled Amendments, Termination, and Recession, the EDA desires to amend the MOU as follows:

- 1) Strike item 4 of the Recitals section.
- 2) Item 2 of the Agreement section titled Grant Requirements shall be amended to strike "amounts of no less than \$150,000 per year and for a period not to exceed five (5) years" and insert *full or in payment acceptable by the EDA*.
- 3) Strike item 2d of the Agreement section.
- 4) Strike item 3 of the Agreement section titled Annual Payment.
- 5) Strike item 4 Award Review
- 6) Insert an item under the Agreement section: **Performance.** Should the Foundation not open operations or offer courses at the Center Street location prior to June 1, 2026, any funds paid by the EDA are due back in full unless otherwise agreed to by the EDA.

#### **RECITALS**

- 1. Whereas, the EDA supports economic development opportunities in Stafford County, Virginia ("Stafford County"), including without limitation support for the academic and training programs at Germanna Community College ("Germanna"); and
- 2. Whereas, the Foundation provides financial and other support to Germanna; and
- 3. Whereas, pursuant to that certain EDA resolution dated on or about March 11, 2011, the EDA has committed, for the benefit of Germanna, to match up to \$1,000,000 in funds raised by the Stafford County business community, all as provided more particularly in said resolution a copy of which is attached hereto ("EDA Resolution"); and
- 4. Whereas, in 2019 Germanna expanded in Stafford County to a leased facility namely the Barbara J. Fried Center ("Fried Center") and is currently occupying approximately 18,000 square feet of space on the first floor of this location; and
- 5. Whereas, Germanna is experiencing greater demand in its educational and training programs, notably in cyber technology and nurse training, and is in need of additional physical space; and
- 6. Whereas, the EDA desires to further assist Germanna's expansion in Stafford County, all as provided more particularly below:

#### **AGREEMENT**

Now therefore, in consideration of the above recitals, and other valuable consideration, the receipt of which is hereby acknowledged by the Parties, the EDA and Foundation agree as follows:

1. **EDA Funding.** Subject to the requirements of this Agreement, the EDA agrees to grant to the Foundation the total sum of \$750,000 to allow Germanna to expand its learning and educational footprint in Stafford County ("EDA Education Expansion Grant").

Notwithstanding anything to the contrary under this Agreement, the payment of the EDA Education Expansion Grant is subject to annual availability and EDA annual budgetary

requirements.

- 2. **Grant Requirements.** The EDA Education Expansion Grant will be paid by the EDA to the Foundation in amounts of no less than \$150,000 per year and for a period not to exceed five (5) years. The release of the EDA Education Expansion Grant is subject to the following conditions:
  - a. Germanna or the Foundation has secured and can document the necessary funds for the completion of Germanna's physical expansion in Stafford County. This documentation shall include at a minimum a construction budget and schedule, approved design plans, and other sources of capital for the completion of the build-out expansion; and
  - b. Germanna or the Foundation provides the EDA with a confirmation that additional programs and classes have been approved and will be provided as a result of the expansion; and
  - c. Germanna or the Foundation confirm that Germanna has obtained all necessary approvals for the expansion as expressed herein, including without limitation all state, local and other applicable requirements.
  - d. Notwithstanding anything to the contrary under this Agreement, the EDA, prior to Germanna or the Foundation satisfying the above conditions Section 2a., 2b. & 2c., may escrow annually no less than \$150,000 per year for the benefit of Germanna and shall immediately disburse said escrowed funds pursuant to Germanna or the Foundation's satisfaction of said conditions. Further, the EDA may disburse to Germanna or the Foundation up to 20 % of the EDA Education Expansion Grant in the event Germanna can satisfy Section 2b. and 2c. conditions and if Germanna is required to deliver alternative teaching and learning methods that must adapt to the Covid-19 pandemic or other emergency matters which prohibit the gathering of students in a traditional brick and mortar classroom or facility so long as the funds utilized by Germanna for this purpose expand the educational programs within Stafford County.
- 3. **Annual Payment.** Commencing September 1, 2020, and ending no later than five (5) years thereafter (the "Term") the EDA shall make or escrow (as described above) an annual payment of no less than \$150,000 (the "Annual Payment") to Germanna or the Foundation or for the benefit of the same in escrow, all subject to the Annual Review described below in Section 4 of this Agreement.
- 4. Annual Award Review. Compliance with the requirements above shall be reviewed and determined annually by the EDA, in its sole discretion, in advance of the disbursement of annual grant payments. The Annual Review Form attached as Exhibit A, and containing the information and documentation required by this Agreement, shall be due to the EDA by April 1 of each year during the Term. The Annual Review Form shall be signed by an authorized representative of the Foundation (if requested by the EDA). The EDA shall conduct its review of the Annual Review at least thirty (30) days prior to any grant payment made pursuant to this Agreement. If, in the sole discretion of the EDA, additional information is required to substantiate compliance with Paragraph 2, the Foundation shall provide such documentation within fourteen (14) days of written notice to the Foundation of the same.
